

## CALL FOR SPONSORSHIP AND EXHIBITION

FROST8 – 8<sup>th</sup> event of the Frontiers in Organic Synthesis  
Technology Conference Series

November 24-26, 2021, Budapest, Hungary

## INVITATION

On behalf of the Flow Chemistry Society we are happy to announce and cordially invite your organization to join FROST8 – 8th event of the Frontiers in Organic Synthesis Technology that will take place in Graphisoft Park, Budapest, Hungary, November 24-26, 2021.

Conference on Frontiers in Organics Synthesis Technology (FROST) was first launched in 2007 and it has been continuously growing since then. Based on the statistic of the last conference the 81% of conference participant were coming from Europe, 19% were coming from Asia and Americas. Approximately 32% of the participants were senior academics, 37% were coming from industry and 31% were students.

Why to sponsor/exhibit:

- FROST8 will feature a free Open Lab Flow Chemistry Academy Section on November 26, providing a great chance to demonstrate your products in action!
- Exhibition area is co-located with coffee breaks offering direct networking opportunity with conference delegates.
- You can establish new business contacts and strengthen your relation with existing partners.

FROST8 will provide a great opportunity to introduce the Graduate Textbook on flow chemistry, thus the research areas discussed in the textbook will be the focus of the agenda. In the textbook, a whole chapter is dedicated to Technology Overview / Overview of the Devices, introducing the major flow chemistry R&D corporations and their devices.

Main topics of FROST8:

- Innovation in flow synthesis technologies
- Flow chemistry in MedChem/Pharma
- On-demand approaches/space chemistry
- Applying Artificial Intelligence in reactor design and operation
- Education: Teaching the Next Generation
- Industrial presentations (exhibitor's session, 3 presentation slots)

We sincerely hope to see you on FROST8.

On behalf of the Flow Chemistry Society,

Dr. Ferenc Darvas - President

## CONFERENCE VENUE AND CONTACT INFORMATION

The venue of the conference, Graphisoft Park is located directly on the banks of the Danube in an 18-hectare green area, where the designers paid special attention to nature and the preservation of green spaces. The Conference Centre is located alongside multinational companies that are at the forefront of the biotech, software development and research business as well as education institutes, and home to life-changing scientific history, creating a unique combination of atmosphere, history and cutting-edge science.

The Conference Centre is an impressive modern space with the latest audiovisual and WiFi technologies which will serve the convenience of all participants. Exhibition booths will be located next to the lecture hall in the coffee break area. We provide also a virtual exhibit hall with private booths, (microsite) video chatroom max. up to 6 exhibitors (from graphic elements produced by the company, compiled from flyers, videos), so exhibitors can effectively meet with attendees.

We offer a wide range of sponsorship packages as well as supplementary options to achieve the biggest exposure to your company. We are convinced that this event presents an excellent opportunity to exhibit your technology and services either in-person or online (virtual exhibition) to a large number of counter parts and, further, to become a sponsor of this event to make it more attractive.

For advertising, exhibiting and sponsorship opportunities please contact:

**4 m<sup>2</sup>: 1800 EUR**

### **The exhibition package fee includes:**

- net stand area
- 1 complimentary full registration
- logo display at the conference webpage
- table with two chairs, electric plug 230 V
- sponsored participants of the company can register at 30% discounted rate
- Virtual chat room

### **Optional choice (included in the price):**

- 10-20 minutes Company introduction & product portfolio presentation
- Live demonstration of the devices at the Open Lab Flow Chemistry Academy Section

## **APPLICATION AND GENERAL PAYMENT CONDITIONS**

All sponsors, exhibitors and advertisers wishing to apply for any of the services listed in this brochure are required to register by submitting the enclosed registration form to the Flow Chemistry Society with an authorised signature. Applications are handled at first-come first-served basis, but priorities are given to main sponsors, in terms of advertisements, exhibition space, and selection of sponsorship opportunities. Space will not be reserve without a written application. Exhibition space cannot be occupied unless the full amount is paid before the dates shown below. The organisers of the exhibition retain the right to rearrange the stands in case the overall concept or organisational matters force them to do so. Advertisement will not be printed if the full amount of the advert is not paid before the deadline indicated. Signing and submitting the application form is binding agreement, provided exhibition space is available, and considered to be written commitment that all conditions stated therein are understood and accepted by the applicant.

All prices stated herein exclude VAT due to the Society's non-profit association 0% VAT status. Payment should be arranged upon receipt of our pro forma invoice, according to the following terms.

Payment of sponsorship, exhibition and advertisements fee: November 05, 2021

**Application forms should be sent to:**
